Oscar's Problem

****Another original Jay-Jay story by Samantha613, this time it's "Oscar's Problem" Enjoy and comment.****

One night at Tarrytown Airport, before the airplanes went to sleep for the night, Snuffy decided to ask a question to his friends.

>"Is Echo Canyon dangerous?" he asked.
"It's dangerous because any loud noise could cause the whole canyon to fall down.", Jay-jay said.

>This came to Brenda Blue's concern.<p>

Early the next morning, Brenda Blue came up with an idea that could work.

>She called all the planes in to see her.
"Everyone, I have an idea about how fix the problem with Echo Canyon. My plan is to completely board it up, That means to cover it all up."

>Everyone thought it was a good idea to fix the problem with the canyon.
However, Oscar wasn't sure about the idea.

>Old Oscar looked sad when he listened to all this.<p>

"Well, that sounds good," he admitted. "But I don't know about it being boarded up."

>"This is the only option to keep everyone safe.", Brenda Blue said.
Oscar thought it was an idea that made sense for safety, but the canyon wouldn't be the same boarded up.

>He was sad about this.<p>

So Oscar went around to see if his friends liked the idea.

And everyone liked the idea.

>Herky and Snuffy told Oscar about what happened at the canyon and

how the two of them and their friends were fortunate to be safe from what happened there.
Oscar listened to what they said, and he now understood the problem with Echo Canyon and decided it was safer for the canyon to be boarded up from any accidents that could happen.

Later, Oscar went to Brenda Blue.

"I'm fine with the plan about boarding up Echo Canyon."

"That's good." replied Brenda Blue.

>Echo Canyon was boarded up in a couple of days and everyone that went there were could still have fun, and be safe.
Oscar was happy that everyone that went there would be safe.
